For all new grantees, ASAP is the only mechanism used to reimbursements.

Re: Village of Laurelville, Laurelville, OH - Rehabilitation of Public
Sanitary Sewage Collection and Treatment Systems

Dear Lula,

Mayor Jean West has once again enlisted my reluctant services to press forward in the attempt to understand the necessary paperwork involved in beginning the flow of proceeds from the grant. I understand the need to enroll in the ASAP program and am working on that now. What forms must be submitted for reimbursement of grant portions of funds already expended in the project, and what procedures must be followed during the interim?

Thank you for your patience and time,

Warren S. White
